

The Lime Trees at Coppice Farm March 2019

Spring is on its way!!

What a fantastic half term we had at Coppice Farm. The team have been carrying out lots of creative and messy activities ranging from paint to clay. Children have had free choice of the activities which has had a huge impact on our clubs planning and what interests the children have.

This coming spring half term we shall be creating spring themed activities which will involve taking care of our wildlife and watching how flowers grow.

About our lovely team

Our wonderful team at Coppice Farm continues with Shaun Wright (Manager) Hannah Owen and Amelia Tongue (playworkers)

We are also very happy that Charlotte Green is back with us. Please give a very warm welcome when you see her. Charlotte will be working alongside Shaun on a Tuesday Wednesday and Thursday at After School Club.

All of our team are available for any questions you may have at any time.

Action Plan

The Action plan is available for parents/carers to view and is displayed on the table next to the signing in/out register. This is used to self-evaluate our practice through views of parents, professionals, and other stakeholders. This term the staff will be focussing on the Early Years children from foundation and building on relationships with those children and their parents. Please speak to either Shaun or Hannah if you have any questions regarding the EYFS.

Activities to do at home

With spring approaching why not make your very own bunch of daffodils.

All the resources will be available at our signing in desk. Please help yourself and get creative with your child! We would love to see your creations.
