

The Lime Trees at Ernehale

June 2019

Wow, how time is flying!!!

We've been having a fantastic time at Ernehale. Children have been making the most of our wonderful outdoor area. Owen has been delivering some great sports activities and our woodland area has been used to its full potential!

This coming term we will be working with the children on teambuilding and activities that will involve this.

About our lovely team

Our wonderful team at Ernehale consists of Shaun Wright our setting manager, Jackie Lawson and Linda Dickin our fantastic playworkers and Owen McDaid our sports coach.

Action Plan

The Action plan is available for parents/carers to view and is displayed on the table next to the signing in/out register. This is used to self-evaluate our practice through views of parents, professionals, and other stake holders. This term the team are focusing on improving the activities and investing in extra resources.

Sports at Ernehale

Our sports coach, Owen has been working alongside all the children to deliver sports that your children love. Football, hockey and tennis are just a few sports which take place. This coming term Owen will be looking at what extra resources are needed to enhance our sports activities.

You Spoke: We listened

You spoke: would you be able to pass this letter on to the class teacher? **We listened:** the letter was passed onto the teacher.

You spoke: could we have a baking afternoon? **We listened:** the staff provided a cake making activity along with biscuit decorating.

Upcoming events and Notices

With the warmer weather approaching, we will be spending extra time outside. With this in mind we would be grateful if your child/children could bring sun cream and a hat to protect us from the sun.

A gentle reminder: our breakfast club starts at 7.30 am and for insurance reasons we are unable to open our doors until this time. Thank you for your understanding!
