

The Lime Trees at Haddon

March 2019

We hope you are back feeling refreshed after half term. Although unfortunately we didn't run holiday club due to lack of interest last in February but we are very excited to be booking for holiday club in Easter which will be running on Monday 15th & Tuesday 16th April 2019.

Before half term we celebrated Chinese New Year making dragons and had fun with Valentine crafts. We are continuing to develop our resources and are always looking to have the children's input. We have been working hard on making the toys more accessible too with different storage. If the children express interest in certain toys at home you think they would enjoy in the club we would love to know.

About our lovely team

Our team consists of Betsan Dempsey and Carolyn Mears.

Both have many years of experience working with children in different settings and with a variety of ages.

Carolyn has enjoyed coming to the door recently to build relationships with parents. Carolyn has completed all mandatory safeguarding and Food Hygiene training and will be looking to complete her Paediatric First Aid in the coming weeks.

Action Plan

Our Action plan is available for parents/carers to view. This is used to self-evaluate our practice through views of parents, professionals, and other stake holders. An action from this is to further enhance our engagement with parents. With this in mind we will be purchasing an iPad this term and logging into a programme called Tapestry so that the setting can share the children's experiences and parents are able to add their comments.

Tips and activities at home

The children have really enjoyed messy and sensory play in the club. We recently had fun making play dough using hair conditioner and cornflour. It's so easy to make and feels and smell lovely!

To Make

Add one cup hair conditioner and two cups of cornflour. Add food dye if you would like. Remember to wash your hands after playing with the play dough.

Visit our website for further ideas at home.

You Spoke: We listened

You Spoke - Parents asked for a holiday club.

We Listened - We are running one two days over the Easter Holidays.
