

The Lime Trees at Manor Park

January 2019

We would like to wish you a Happy New Year and hope you have had an enjoyable Christmas. The children had enjoyed and had fun making snow globes, stars, cards and a variety of different Christmas activities. The party night was full of fun and lots of prizes were won.

The children's Christmas School performances were enjoyed by all.

The weather has turned cold again, and some children feel the cold more than others. Could you please send your child with a warm waterproof coat, hat and gloves so they can still play outside in all weathers.

One of our objectives is to further extend and enhance the activities, allowing the children to express their interests to enhance the children's learning. All staff have regular peer observations to ensure we continue to deliver the highest quality of care for all children.
