

The Lime Trees at Manor Park

March 2019

We would like to welcome you back and hope you have had an enjoyable break. The children had fun making Chinese dragons and lanterns for Chinese New Year. Also creating flowers for Valentine's Day.

This term we will be looking at springtime activities. Mother's Day and Easter crafts in addition to planting seeds.

The weather at the moment continues to be cold. Please ensure that your children have warm coats and scarves/gloves etc. for outside play.

About our lovely team

Jo Swinscoe is the Manager who has several years of experience working in Breakfast and after School Clubs.

Nicola Iwanejko has settled well at Manor Park. The children have enjoyed the activities that Nicola has introduced.

Liana Summerfield continues with her induction programme with The Lime Trees.

The team have put together parent information/take home resource packs. This is located next to the signing in register. Please take a look and help yourself to the information/resources available.

Action Plan

Our action plan for the setting is available for all parents to look at. The team are working on their Teaching & learning and will be doing peer on peer observations weekly to develop their practice and understanding of how children learn. In addition, the team will be further enhancing the role play area with vegetables, encouraging children to experience different textures, smells and tastes.

There is an inset day at Manor Park on the 5th April 2019.

You Spoke: We listened

You spoke: Can we bring our child on an ad hoc basis if needed.

We listened: Please contact the office who will let you know if places are available on the days requested.

Comments

" My child has really enjoyed cutting the vegetables in the role play area. We will continue this at home"

"My child has settled in so quickly, thank you for making us so welcome"

"The environment looks so inviting. There is so much to keep the children busy"
