

## The Lime Trees at Robert Mellors

January 2019

Marie and Daniella would like to welcome you all back to The Lime Trees after your festive break. We hope you all had fun and laughter.

This term we are going to change the roleplay corner to a Doctors/Hospital as requested by the children. In addition to our new role play area we will be celebrating Chinese New Year with food tasting as well as getting creative making Chinese lanterns!

## About our lovely team

Marie and Daniella continue to provide a stimulating engaging environment for the children that attend our Breakfast and After School club provision.

Daniella is the Key Worker for the EYFS children and will be consulting with parents regarding their next steps this next half term.

Kathleen Ryan is a play worker and is gaining valuable experience at working at other settings whilst completing her staff induction with The Lime Trees.

## Action Plan

The New Action plan has now been put up in the entrance for parents to reading. We welcome all feedback any time, this helps us to evaluate and make improvements. We value any feedback from yourselves. You spoke We listened is an important aspect of parent feedback. If you have any suggestions to improve the club please do let us know.

## Tips and activities at home

### Planting seeds for Spring

You will need-: Plant pots, compost, packet of flower seeds

Place compost in pot about three quarters full. Place seed in compost. Cover over with compost. Water. Place on windowsill and watch them grow. When the weather gets a little warmer replot outside and watch them bloom!

### You Spoke: We listened

**You spoke:** Can you make sure my child brings all their bags home thank you

**We listened:** we ensured when we picked the children up, they had all their belongings
