

# The Lime Trees at Arnold View

## September 2015

## BJ Wraparound becomes The Lime Trees

Welcome back and welcome to our new look, we hope you have all had a great summer and we look forward to hearing stories from the children about what they have been up to over the coming weeks. We are really excited about the academic year ahead.

### 1.1 Plans for September

This month we are continuing to put on fun and unusual events and activities for the children to take part in. We will also be planning themed evenings following feedback from children where it was suggested that they enjoyed the themed days the most. Look out for Disco parties, Wild West evenings, and by back by popular demand a Messy evening. We will also endeavour to put on special themes for Breakfast club children. We are working hard to improve on the variety of food available, so look out for special breakfasts and themed teas. We are also investing in new equipment for the club which we are sure that the children will enjoy!

### 1.2 In other news!

Kellie unfortunately will be leaving us to start at University, we want to thank Kellie for her hard work and wish her all the best for the future. Charlotte Green will be returning to our Arnold View club which we are very pleased about! We also want to welcome Issy Simpson who is joining the Arnold View team as a level three practitioner that has been a part of The Lime Trees team for over a year. We will be posting our newsletters on our new website in future and we will send out a reminder when the newsletters have been published so you can go to [www.thelimetrees.co.uk/news](http://www.thelimetrees.co.uk/news) to view them at your leisure.

### 1.3 Reminders

Please make sure your child has suitable clothing for outdoor play, including coats and waterproof footwear now the weather is getting cooler.

Its great getting feedback from parents and children about their experiences at our club so if there is anything you want to share with us, including any ideas or suggestions for new activities our Day to Day Manager Tracy Featherstone will be more than happy to listen, alternatively send an email, or leave a comment in the comments book found in the club.

Follow us on twitter @TheLimeTreesCiC we won't be posting any photos of the children but giving updates about what we are up to and sharing key information in relation to our clubs.

**Have a great September and you will hear from us again next term!**
