

The Lime Trees at Burton Joyce

Nursery September 2015

BJ Wraparound becomes The Lime Trees

Welcome back and welcome to our new look, we hope you have all had a great summer and we look forward to hearing stories from the children about what they have been up to over the coming weeks. We are really excited about the new academic year ahead.

1.1 Plans for September

This month we have magical movers and Woodlands activities on a Friday. Woodlands offers children a range of experiences and activities which will include making dens, making games with natural resources, treasure hunts and playing team games. During nursery we will also be practicing British Sign Language starting with please and hello. We are doing a family photo display and will also be investing in new equipment for the club over the coming weeks which we are confident all of the children will enjoy! The nursery garden is being revamped with new equipment which will support the children in their learning and be based around their interests.

1.3 Reminders

- Each child has a pocket above the coat pegs where useful information, party invites etc will go. Please check them regularly.
- Please bring in a family photo for our photo display.
- Please make sure your child has suitable clothing for outdoor play, including coats and waterproof footwear now the weather is getting cooler.
- Please ensure that if your child is having a school dinner this is paid either a week in advance or on the morning of the day you would like them to have a dinner as the money needs to be paid to school on the day. School dinners are £2.15 per child.
- Its great getting feedback from parents and children about experiences at our nursery so if there is anything you want to share with us, including any ideas or suggestions for new activities please share them with a member of staff, send an email, or leave a comment in the comments book found in the club.
