

The Lime Trees at Ernehale

September 2015

BJ Wraparound becomes The Lime Trees

Welcome back and welcome to our new look, we hope you have all had a great summer and we look forward to hearing stories from the children about what they have been up to over the coming weeks. We are really excited about the academic year ahead.

1.1 Plans for September

This month we will be having a woodlands night every Monday at after school club. The woodlands programme will offer regular opportunities for each child to achieve and develop confidence and self-esteem through hands on learning experiences. We plan to make dens, explore making games with natural resources, embark on treasure hunts, play team games and get creative! All activities are fully risk assessed and children are always supervised by our qualified practitioners. Every Friday there will be an activity night featuring a different theme each week. We have also invested in new equipment for the club over the summer holidays which we are confident the children will enjoy!

1.1.1 Dates for the diary

- W/C 7th September activity night on a Friday starts

1.2 In other news!

Laura is sadly leaving us for a job within a nursery; we wish Laura the best of luck and want to thank her for all of her hard work. Laura's replacement will be announced shortly. In the future we will be posting our newsletters on to our new website and we will send out a reminder when the newsletters have been published so you can go to www.thelimetrees.co.uk/news to view in your leisure!

1.3 Reminders

Please make sure your child has suitable clothing for outdoor play, including coats and waterproof footwear now the weather is getting cooler.

Its great getting feedback from the parents and their children about experiences at our club so if there is anything you want to share with us, including any ideas or suggestions for new activities please share them with a member of staff, send an email, or leave a comment in the comments book found in the club. Follow us on twitter @TheLimeTreesCiC we won't be posting any photos of the children but giving updates about what we are up to and sharing key information in relation to our clubs.

Have a great September and you will hear from us again next term!
