BJ Wraparound becomes The Lime Trees!

Hi Everyone,

We hope you're looking forward to your summer break - we've got our fingers crossed it's full of fun and laughter. We can't wait to hear your stories about holidays and play in the autumn term.

So far, 2015 has certainly been an exciting one at BJ Wraparound. Behind the scenes, our team has been working as hard as ever to make sure our services are improving for you and your family, while maintaining competitively low prices for childcare.

Over the next five months we're committed to investing in all our key areas, including:

- new equipment across all clubs for outdoor and indoor areas
- staff training and supporting staff through childhood studies and early years teaching degrees
- community projects across Nottinghamshire

On top of this investment, we thought it was time we gave our brand a lick of paint too...

A big welcome to The Lime Trees

BJ Wraparound began life in Burton Joyce. Since then, we've expanded our nurseries and childcare clubs to many other sites across Nottinghamshire and our name has lost the relevance it once had.

So, in celebration of our growth, we're changing our company name to [The Lime Trees](http://TheLimeTrees.co.uk) with a new professional image.

What does this mean for you?

All this rebrand means for our families is that we've had a facelift. We still have the same quality of service and the same smiling staff, just a more professional outward look.

Under The Lime Trees, we're going to bring you even more developments to improve your contact with us. Before December 2015, we're doing three things:

1. Launching our online booking system so you can see what spaces are available and check your little ones in when you're on the go or at your desk.
2. Upgrading our child progress tracker so if you're a parent of a nursery child you can log on a secure portal which will be updated staff weekly with observations on the children. This will include progress reports, photos of play and general observations on how your child is getting on.
3. Introducing our 'open door' policy so you can drop by the nursery or club to spend time playing with your child or see how they're progressing and interacting with others.

We're really excited to bring you these new services, coupled with our rebrand, to bring you flexible and high quality childcare.

Phew! While we're working on these, please take the time to have a look at our new website:

For any enquiries, queries, or questions relating to the new academic year please reach us on our new email address: hello@thelimetrees.co.uk.

Thanks,

The Lime Trees team!
