

16th November 2015

Robert Mellor's

THE LIME TREES AT ROBERT MELLOR'S NOVEMBER 2015

WELCOME BACK

Welcome back to the new term at the Lime Trees. Last half term was a busy time for us as we completed our project about France which involved Food tasting, flag making and learning simple French phrases such as hello, goodbye and numbers.

All the children participated in making Tracey Island. They made planes, rockets and houses to put on the island. And they also wanted to make a display with Tracey Island information on to accompany the project. The children made the island by box modelling, sponge painting and different collage materials.

We talked about Goose fair and what foods we eat there etc. The children asked to do activities based on Goose fair, so they made a goose fair scene as a group using glitter, chalks, material, pompoms and lolly sticks and rides out of box modelling.

For Halloween we had a creative week filled with Pumpkin Carving, pumpkin painting, making Halloween hats and bags.

ABOUT OUR LOVELY TEAM

We are also pleased to announce Faye is now the before and after school manager. She has now completed her safeguarding, food hygiene and first aid training.

UPCOMING EVENTS

FRIDAY NIGHT ACTIVITY NIGHTS

- **Mad Science** - 13th November
- **Crazy Crafts** - 20th November
- **Let Gets Messy** - 27th November
- **Wacky World Records** - 4th December
- **DISCO NIGHT** - 11th December

CHRISTMAS ACTIVITIES

- **4th December** - Christmas craft night with a variety of different crafts for all ages.
- **11th December** - Christmas Party night with food, music, party games.

PARENTS COMMENTS

- The children wanted board games - Faye and Holly went out and bought lots of new games.
- The children asked for croissants and bagels for breakfast because of our project surrounding France culture - croissants and bagels were ordered on the shopping and children have been having them for breakfast.
- If you have any comments then please feel free to approach a member of our team anytime.
