

The Lime Trees at Arnold View

June 2019

We hope that you all had a lovely half term. We ran our holiday club at Robert Mellors and received positive feedback thank you and our Summer Holiday club activities are now available.

Last term was as busy as ever! We got our office role play up and running and had a fantastic time making lots of food crafts. We opened an ice cream parlour in our village shop!

Our year 6 now have their new area of which they are taking great care of and are looking forward to receiving their air hockey table and UNO cards.

About our lovely team

We are pleased to have Sue Green permanently as our Breakfast Club Child Care Practitioner. Sue is also training to become Deputy Manager.

Kath has recently become a keyworker and is receiving extra early years training and Maggie will shortly be renewing her Paediatric First Aid.

Tracy has completed her latest Designated Safeguarding Lead Certificate and also her Paediatric First Aid refresher.

Action Plan

The ways in which we continue to develop our club are always available for you to view on our parent board and we are making good progress in completing all actions on time.

In addition, Tracy is holding monthly question and answer sessions with staff on safeguarding and policies to refresh and test their knowledge.

Tips and Activities at home

Strawberry Mice - get a few large strawberries, add black fondant icing for eyes and small pieces to the top. Attach a strawberry lace for the tail. Cut out a green leaf for one to sit on and cheese for another one. If there is a family on different objects, they look great!

You Spoke: We listened

You Spoke - the children would like more games in the morning after we have packed away.

We Listened - We are looking at soft play toys that we can use as a group game.

A big thank you to Luke Dodsley's mum who has kindly gifted us an amazing collection of books for our youngest members.
