

## The Lime Trees at Greythorn June 2019

Welcome back. We hope you have all had a lovely half term and enjoyed the break.

We are enjoying lots of new activities and resources at the moment including our hairdresser's role play which has been a big success and the children are getting involved by giving us new ideas to add to it.

Looking forward, we are pleased to welcome even more new children to our setting and hope to continue to expand our range of equipment and activities.

## About our lovely team

Shaun has now moved on to manage another Lime Trees setting and we wish him well.

Jess has now taken over who has recently joined the Lime Trees, as club manager. Jess has many years' experience working within day nurseries and before and after school settings.

Aina and Cora continue to support the club and are working very hard with Jess.

Mandy continues to work in our head office. Please contact her at the below email address for any bookings or changes that you wish to make.

## Action Plan

The Action plan is available for parents/carers to view and is displayed on the table next to the signing in/out register. This is used to self-evaluate our practice through views of parents, professionals, and other stake holders. This term the team will be looking to develop staffs Teaching & learning skills. This will entail weekly peer on peer observations and feedback to staff to develop their practice and understanding of how children learn.
