

The Lime Trees at John Clifford

June 2019

We have had an amazing first half term at John Clifford. We would like to thank all school staff, teachers, parents and children for making us feel welcome and a part of the school. We have loved getting to know all of the children and their families who attend The Lime Trees. We have really been focusing on what the children's interest are to enable us to provide exciting and stimulating activities for the children to enjoy.

Here's to another brill half term!

About our lovely team

Charlotte Horton is the club Manager at John Clifford. Charlotte has worked for The Lime Trees for 6 years and has worked in both our Breakfast and Afterschool clubs as well as our nurseries.

Chelsea Swainston joined us in May as a childcare practitioner. Chelsea has a degree in Education Studies and is currently studying to become a Primary school teacher. Chelsea has also recently completed her Safeguarding training.

Action Plan

Our action plan is out on the table next to the signing in/out register. Please feel free to have a look and ask staff questions if you are unsure of anything.

Activities to do at home.....

Why not try and make salt dough at home?

1 cup of salt

1 cup of plain flour

$\frac{1}{2}$ cup of water

Mix all of the ingredients together, create your own sculpture, put in the oven for 2 hours, leave to cool and then paint and decorate!

Upcoming events and Notices

We will be having an end of term party for the children attending The Lime Trees on Tuesday 23rd July. If your child doesn't usually attend the Tuesday session but you would like them to for the party, please see a member of staff, there are limited spaces available.

Please save your recycling and bring into The Lime Trees so we can use it in our creative area for box modelling.

You Spoke: We listened

You spoke: "We want to be able to have a refund for all cancelled sessions"

We listened: "We re-looked at our refund policy and adapted it to allow even more flexibility when booking and cancelling sessions"
