

The Lime Trees at Robert Mellors

June 2019

Marie and Daniella would like to welcome you all back to The Lime Trees after your short break, hope you all had fun and laughter.

There will be an end of term party on the 27.6.19. All children are welcome.

This term we are changing our role play to a hair salon, at the request of the children but we will return to the garden role later in the term.

About our lovely team

Marie will be joining in with the children in their activities and finding out what they would like to see in their club.

Daniella is still the Key Worker for the EYFS children and will be looking for their next steps. She will then communicate with parents and teachers.

Susan and Kathleen will be helping this term and will be happy to help Daniella with the EYFS children.

Action Plan

The New Action plan has now been put up in the entrance for parents to read. We welcome feedback to enable us to continue to improve and develop our club.

We also have You spoke ... We listen notes, if you have any suggestions to improve the club please do let us know.

Tips and Activities at home

We have a cress bag activity available for the children to take home.

The cress bag contains a small plastic cup, cotton wool and some cress seeds. Put the cress seeds on top of the cotton wool, water and watch them grow!

You Spoke: We listened

You spoke. School have asked if we can help remind parents that their children need water bottles, sun hats and sun cream.

We listened. Marie and Daniella are talking to parents in the morning and after school.
