

The Lime Trees at Coppice Farm

September 2019

Welcome back! We hope that you had a fun filled summer holiday! A special welcome to our new starters!

We are excited for the new term and to help all your children settle into their new classes.

About our lovely team

The team have been very busy taking courses during the summer. Sue has completed her SEN Code of Practice, Challenging Behaviour as well as certificates in Radicalisation, Honor Base Violence, Self-Harm & Suicide and a Safeguarding refresher. Hannah has also completed all courses with the exception of Autism Awareness.

Action Plan

Our focus for the Autumn term will be to look at the new inspection framework as there are new changes on how Ofsted now inspect settings. Our focus for the Autumn term will be to ensure that staff understand the new curriculum. We will also be supporting staffs use of rich vocabulary and the importance of reading in settings and at home.

We are also focusing on the wider safeguarding issues such as child exploitation, breast ironing and County lines.

As mentioned in 'Tips at Home', there will be a strong focus in children reading at home and internet safety.

Tips and activities at home

We have set the children a challenge to help us with our new display "Get Caught Reading, to find the most unusual place to read a book. So far, the most interesting place has been in a tree! Please continue to support us with this by sending in your photos for the board.

Our focus for September and October is going to be around internet safety. Please see the setting manager for information on how to keep your child safe at home. Information is available on social media platforms and on our website. Please see the NSCPP

Upcoming events and Notices

As the weather will soon be starting to get cold, we would like to make sure all children have suitable clothing such as coats, hats, scarfs and gloves as we go outside in all weathers.

With Autumn on the horizon we aim to focus on nature and seasons and will be spending more time outside, hopefully digging

Dates for the Diary: 14th Oct - Baking Week
27th Oct - Diwali Week
31st Oct - Halloween

You Spoke: We listened

You spoke: Can we please have rice cakes as a snack?

We Listened: Rice cakes are now on the after school club menu.

Comments from parents

"It is lovely to see all of the children playing together"
"My children do not want to go home until they have eaten their healthy snack"
