

THE LIME TREES AT GREYTHORN

December 2020

What a year 2020 has been.

Despite all of the setbacks and challenges this year, we are still here, supporting children, families and schools.

Since the school holidays the children have been getting stuck into a wide variety of activities and themes. From celebrating Diwali and Children in Need to learning about anti bullying and anti-racism, the children have had lots to do.

Recently we have been bake off inspired and tried our hand at biscuit decorating. The children put in some real concentration and hard work ensuring they

did not drop a crumb when eating them.

We are looking forward to celebrating Christmas and all things wintery. We will be writing letters to Santa and creating our very own Christmas cards.

In the lead up to Christmas we will also be creating Christmas wreaths and new year calendars. There might even be a thanksgiving turkey headband snuck in too.

We are looking forward to an exciting fun packed time with your children.

YOU SPOKE: WE LISTENED!

You Spoke: After school snack is often served late so some children miss out.

We listened: Snack options have been reviewed and snack is served at the start of the session, straight after registration

You Spoke: Parents cannot enter the setting and do not know what the children are doing

We listened: We have been using social media more to promote activities. We have been following our planners that were sent to parents in September and, where possible, talking to parents at the end of sessions.

The Lime Trees, Padleys Lane, Burton Joyce, Nottingham, NG14 5EB

STAFF TRAINING

Staff have recently updated the Paediatric First Aid, Food Hygiene Lv2 and Covid-19 training. They have also refreshed their knowledge on Prevent Duty, FGM and Toxic Trio.

Environment

We have been working extremely hard to meet the evolving demand to be Covid secure. At present we are still operating within our bubble groups and have nothing but praise for the children and how they have adapted to this new environment. We cannot share resources across a bubble group during a session, but we are cleaning and disinfecting resources which allows them to be rotated throughout the week. Parents are still required to wear face coverings when on the school premises

TIPS AND ACTIVITIES AT HOME

Online Safety

Children and young people's lives have changed dramatically because of coronavirus. With social distancing and limited multi household interaction, children are spending more time than ever online.

Whilst the internet is a fantastic tool for learning and to stay connected, it can also bring risks.

It can be difficult to know how to start talking to your child about what they are doing online or who they might be talking to. But talking regularly will help your child feel relaxed and means that when they do have worries, they are more likely to come and speak to you.

The NSPCC has some great resources to support internet safety for children and they can be found by clicking [here](#)

Social Media

To keep up to date with the latest news, events, offers and at home activities, make sure you are following The Lime Trees on Facebook and Instagram. Simply search for The Lime Trees or click on our links below.

WISH UPON A STAR

This year we are working in partnership with the Wish Upon a Star foundation to raise funds for their trips to Lapland. Sadly, due to current events they cannot take families to Lapland for the first time in 30 years and will be concentrating on raising money for next year's event. To support their fundraising efforts, we will be taking part in a sponsored elf walk. Children will be provided with an elf hat and complete laps of the playground or school hall. To donate to this amazing charity please follow our link - [Just Giving](#)

FOODBANKS

You may have received our email regarding foodbanks. We provide childcare for approximately 1400 families and are now offering foodbank vouchers. Please speak to your club Manager or Head Office for further information. We are also accepting food donations into our settings. If you would like to donate, please inform your settings Club Manager and we will arrange for the food to be delivered to a local foodbank.
