

THE LIME TREES AT ROBERT MELLORS

January 2020

Welcome back after the Christmas break. We hope that you have all enjoyed the seasonal festivities and are looking forward to the Spring term.

This term we are going to be looking at "Festival's Around the World".

We will also be concentrating on "Get Caught Reading" and would love to see photos of your children reading at home.

We are looking forward to celebrating Chinese New Year and we will also be creating cards and gifts in preparation for Valentine's Day. Who will be your Valentine?

We are also going to spend more time on "Mark Making", using different materials such as corn flour, salt and sand.

We will be focusing a lot on Internet Safety the week before February Half Term to coincide with "Internet Safety Day".

We are looking forward to an exciting fun packed term.

YOU SPOKE: WE LISTENED!

You Spoke: "My daughter was happy when she found out that she was coming back to The Lime Trees"

We Listened: Thank you very much. It is lovely to know that you daughter enjoys our club"

You Spoke: "My child was upset during the Christmas Holiday's as there was no after school club"

We listened "Bless him, thank you for letting me know"

STAFF TRAINING

All our staff have carried out training on; Domestic Violence, Toxic Trio, Aces, Breast Ironing, County Lines, Equality and Diversity and further SEN training.

Environment

By the end of 2020, we want to remove all use of single plastic in our settings. We are planning to arrange a playful challenge for the children which involves picking up 3 pieces of plastic per day in the local area and completing a reward chart. There will be a prize for the winner. This will help to educate children on plastic waste and how we can improve our environment.

TIPS AND ACTIVITIES AT HOME

Oral Hygiene

There has recently been a big push on oral health among children due to evidence proving an increase of tooth decay and sugar intake. The Lime Trees have chosen to introduce a February challenge for all our children to take part in. The challenge will involve the children completing the reward chart with a tick or a sticker in the morning and evening when they have cleaned their teeth.

Every child that completes their reward chart will receive a prize at the end. To complete a full teeth clean, your child should spend 2 minutes each time cleaning their teeth thoroughly.

For more advice on oral hygiene please speak to your dentist or further information on our website.

ACES (Adverse Childhood Experiences) – Learn more about preventing ACES by assuring safe, stable and nurturing relationships and environments. Please visit YouTube to watch the educational video-WWW.youtube.com/aces

FIRST AID TRAINING FOR PARENTS

In the Spring term The Lime Trees will be hosting Paediatric First Aid training for parents to administer basic first aid including CPR. Dates and venue to be confirmed. Please see our website for other useful information and tips at home.

CHARITY WORK

Residential Homes –

In December, we purchased gifts and made Christmas bags for The Manor Nursing Retirement Home in Arnold. Members of staff and a small group of children visited the residential home, sang songs and handed out the gifts. The residents thoroughly enjoyed this, and we hope to work more with the elderly this year.

FOODBANKS

You may have received our email regarding foodbanks. We provide childcare for approximately 1400 families and are now offering foodbank vouchers. Please speak to your club Manager or Head Office for further information. We are also accepting food donations into our settings. If you would like to donate, please inform your settings Club Manager and we will arrange for the food to be delivered to a local foodbank.
